In the 2020-21 school year, we served our students in a hybrid model of instruction. Roughly 50% of our students attended school in person. 50% engaged remotely online and with print work. Through the pandemic our focus has remained on ensuring the academic, physical and emotional well-being of our students and staff. All resources have been dedicated to this effort as we strive to meet the needs.

GROWTH

This priority area measures year-to-year student progress on statewide tests. It uses a value-added model that seeks to control for circumstances beyond the influence of educators. A high value-added score means that on average students in the school are progressing more quickly than other, similar students. Growth is scored from 0 to 100 to match the other priority areas and is a conversion from the roughly 0 to 6 value-added score.

Priority Area Score

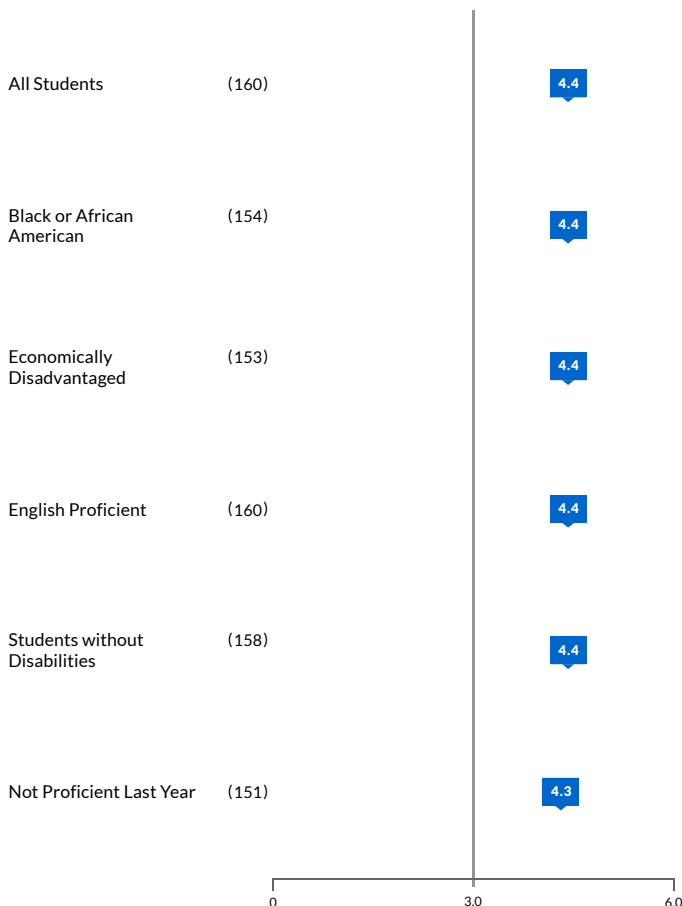

English Language Arts Score: 92.6

Mathematics Score: 64.1

Student Group Value-Added (for information only)

Value-added scores cover an approximately 0-6 range. Higher scores mean greater positive impact. A score of 3.0 is average. Group size is shown in parentheses. Groups with fewer than 20 students are not displayed. Shaded boxes indicate higher-than-average scores.
